Dear Families of 7th & 8th Graders (Immaculate Heart of Mary, St Joan of Arc, & St Thomas Aquinas),
As the CYO winter sports are coming to a close, it's time to start thinking ahead about CYO baseball.

- I have reserved a time slot in the *Area below the Church* at Immaculate Heart of Mary for **Thursday 16th at 7:00 PM** to have our annual call-out meeting.

- I am looking to begin practicing indoors (IHM gym) starting on **Tuesday, February 21th from 7:30-9:00 PM in the IHM Gym**. We will continue to practice Tuesday and Thursday nights from 7:30 – 9:00 pm through March.

- These indoor practices will be **used as an evaluation** to determine the make up of the team(s), so it is important for your son(s) to attend. If we do not have enough players for two teams, these practices will be used as tryouts to make cuts for one team.

- **Please E-Mail me (listed below)** if your son is interested in playing baseball so I can begin to get a head count.

Please pass along this info to anyone you think may be interested in playing this year. This includes the 7th/8th grade class and students from STA and SJA!

Thanks,
Tony Annee
