St. Thomas Aquinas School and Parish invite you to

Buy – A – Brick

for the pathway through the
Schoolyard Habitat and Meditation Garden

The Schoolyard Habitat and Meditation Garden on the south side of the school provides shelter and food for birds and butterflies, educational opportunities for the school children, and a beautiful spot for members of the STA community to rest, reflect, and meditate. Celebrate special events in the life of your family, remember a loved one, or show your own support by purchasing an engraved brick for the pathway. You may also choose an inspirational quotation or prayer to engrave.
