

STA 50/80 COMMUNITY SERVICE PROJECT AT

MLK CENTER

Greetings STA Parish Families!

STA has partnered with the MLK Center to help beautify and restore their **Peace Garden** along Illinois Street. We want to continue to be a force of love and support for our community. In the spirit of giving back and in celebration of our 50/80 anniversaries, please sign-up and volunteer to rebuild the MLK Peace Garden on **September 14th, 2019**. We want to show how the STA Family serves and leads in the community by demonstrating that love for others through our time and talents! For the month of August, we will have sign-up forms after each of the masses. Please contact Eileen Walthall at eileen.m.walthall@gmail.com or 317-345-8687 or Rocky Marsh community@staindy.org or 317-730-0031 for questions or to volunteer.
