

STA HAITI FUND YEAR END REPORT FOR 2025-2026

The STA Haiti Committee offers this 2025-26 Year End Report with gratitude to everyone who has helped maintain the projects the STA Haiti Fund supports in Belle-Rivière, Haiti. As Haiti suffers, many of you have proven to be Good Samaritans to the people in Belle-Rivière. Pere Jean Philippe along with the students, their parents, their teachers, the patients, and the community continuously express their appreciation for everything that STA is doing to provide the community with hope that life will be better. Mesi!

In January, STA was asked to consider raising the primary and kindergarten teachers monthly salaries from \$115 to \$200. As result of a generous response from STA parishioners, in August the Haiti Committee will decide how close to this goal is possible.

You are welcome to attend a Haiti Committee meeting the 2nd Tuesday of the month at 7:00 pm in the Bethany Room.
