Walking School Bus Notes:

- Remember that all of our routes welcome park-and-walk participants! If you live too far to walk from home, have mom or dad drop you off at the end of one of the routes and walk with us!
- Walking school buses are always parent-chaperoned! Make sure you follow the rules and directions of your walking school bus "driver"!
- It's getting dark! Wear bright colors and/or reflective gear so that cars are sure to see you! Add reflective tape to your sneakers, bike helmets, and backpacks too.
- For walk to school day, we are encouraging everyone to carry signs too! Let drivers know that you want them to slow down and put down their cell phones – that you want to be able to walk to school and stay safe! Carrying signs on your walk makes a great statement!
