

## *Sensory Motor Summer Camp*

Jump off your child's summer with this fun, skill-building camp! Kids will explore and participate in a variety of sports, gross motor games, sensory play opportunities, and arts and crafts activities. This camp will help develop core strength, gross motor coordination, eye-hand coordination, and motor planning. Additionally, campers will be introduced to Zones of Regulation principles to help improve self-regulation, positive peer interactions, and social problem solving skills.
