In the Library...

All classes have enjoyed various holiday books, with 3rd Grade especially enjoying *The Return of Light*, and Kindergarten helping Mousekin find his way to a winter home. 4th Grade is looking forward to continuing with the next adventure for Logan and Benedict in January. Book It! readers have done a great job so far during the first two months of the program. Merry reading over Christmas break!

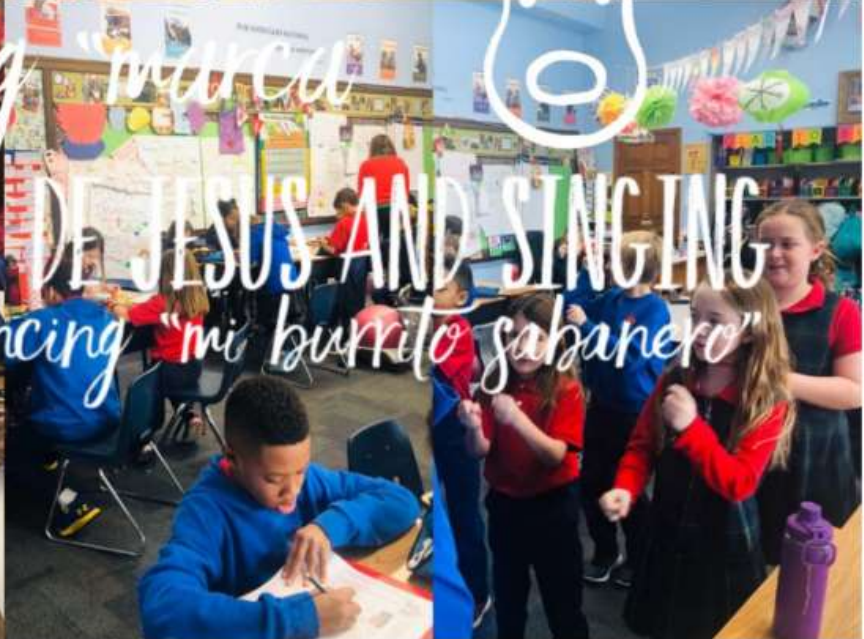

3RD GRADE

making "marca libros" DE JESUS AND SINGING

and dancing "mi burrito sabanero"
