Weeding tools will be available in the blue Rubbermaid box near the compost bins or feel free to bring your own. Please put weeds in the dumpster, NOT the compost. If you can not weed on your assigned week, please trade with someone or just come and weed another time. If your area is already weed free, please weed another spot. Any additional weeding is greatly appreciated! Thank you so much for your help in keeping our Schoolyard Habitat looking nice. Questions? Contact Sharon Horvath ([shorvath@staindy.org](mailto:shorvath@staindy.org))
