

Dear STA families,

Welcome to the 2024-2025 school year! The STA Parent Association (PA) has been working throughout the summer to prepare for a fantastic year, and, for our largest fundraiser - Trash bag sales!

This is the largest fundraiser for the STA PA every year. Proceeds from the bag sales go to fund things like field trips, teacher appreciation events, teacher grants, fun treats and events for the kids, special persons day and so much more. Your participation ensures that the STA community will continue to see these benefits.

So what are the details?

- We will provide a paper form (other side) to make it easier for each students to go around the neighborhood to sell and keep track of their orders. There is also an electronic form (https://staindy.formstack.com/forms/trash_bags) where you will place your order. You can then use the paper form to make the deliveries of the bags.
- Sales online will begin Monday, August 19th and the order period will close at 5pm on September 23rd (though you can start using the paper form immediately!)
- If selling is just not your thing or you student doesn't sell the minimum number of rolls, we will calculate the buyout difference for you and this balance will be billed in your smart tuition account, spread over 4 months (Oct-Jan \$8 per roll short of the goal, or \$160 for grades 1-8 and \$80 for kindergarten).
- If you have friends and family who want to help but don't need trash bags, they can donate instead either a monetary donation or place an order of white bags to be delivered to our friends at SVdP Boulevard Place Food Pantry.
- Trash bag orders will need to be picked up on October 4th between 2pm –5pm

The goal is for each student in grades 1-8 to sell 20 rolls of trash bags and Kindergarten students to sell 10 rolls. If students fall short of their goal, \$8 for each roll short is considered the buyout amount.

SPECIFICATONS:

- **Cost** of a single roll (blue, yellow, pink, or white) is **\$13.00**.
- **A case has 10 rolls.**
 - Blue bags are 55 gallons and each roll has 16 bags/roll. Perfect for your curbside containers.
 - Both the yellow and pink bags are 39 gallon and have 25 bags/roll. Perfect when doing toy or household purges or for your fall leaf collection!
 - White bags are 15 gallon and have 65 bags/roll. Perfect for indoor kitchen trash cans.
